experience by the lakes - set against the  
picturesque landscapes of  
the Piedmont, North Carolina.

activities both in and around the Lakes.

## Hycos Activities

### Wanna get wet?

There is exhilarating canoeing,  
kayaking, swimming, water skiing,  
and boating available year round at  
Hycos Lake.

If you want to stay dry,  
camp or take a hike through the  
trails of our 65-acre park.

Camping, boating, fishing, and  
walking trail are offered daily.

We don't expect you to catch them with  
your hands, but you could combine  
fishing and cooking out for a full day of  
activities and fun.

Come have a wonderful time!
